boarding homes. The aggregated information for this list is updated regularly from licensing cities, counties, certifying agencies, self-reports of bo

arding homes and other sources. Mental Health America of Greater Dallas provides this listing as information for the public. Please be aware tha

t a boarding home license only applies to a specific address, not to any or all properties operated by the same owner. Each boarding home facility

/ must be inspected and licensed at a specific address, and a boarding home license only applies to that specific address. It is not an acceptable

practice to place an individual in a licensed boarding home then transfer them to an unlicensed boarding home. Mental Health America of Great

er Dallas does not recommend use of unlicensed boarding homes.
