Disclaimer: This site and publication of data does not in any way constitute an endorsement by Mental Health America of Greater Dallas of the listed boarding homes. The aggregated information for this list is updated regularly from licensing cities, counties, certifying agencies and other sources. Mental Health America of Greater Dallas provides this listing as information for the public. Please be aware that a boarding home license only applies to the specific address listed, not to any or all properties operated by the same owner. Each boarding home facility must be inspected and licensed at the specific address where the facility is located, and a boarding home license only applies to that specific address. It is not an acceptable practice to place an individual in a licensed boarding home and then transfer the person to an unlicensed boarding home. Mental Health America of Greater Dallas does not recommend use of unlicensed boarding homes.
